A suspected pedophile killed himself moments after he admitted to watching child pornography to a predator hunter outside his South Dakota home.

Donald Letcher, 60, described the graphic detail of the disturbing videos that featured children as young as infants to Predator Poachers founder Alex (((Rosen))), according to footage [shared by the "Breanna Morello Show" podcast](#).

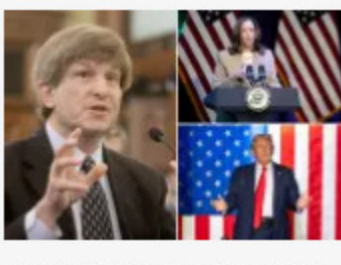

Letcher described his atrocious viewing pleasures, which featured males holding down babies as they "ejaculated" on them.

After hearing enough evidence, (((Rosen))) called in a police officer and got Letcher to admit his heinous act to the cop.

As the officer called his supervisor, Letcher walked inside and a "pop" was heard.

The crew outside say they didn't think much of it because it "wasn't a loud shot," but it was later revealed that Letcher shot himself in the head with a .22 bullet.

"The cop breaks the door down and then one of my camera guys goes around the window and sees him (Letcher) on the ground with a hole in his head bleeding out of it," (((Rosen))) said.

Letcher was airlifted to a hospital, where he was pronounced dead, according to (((Rosen))).

The pedophile had reached out to (((Rosen)))'s team, who were posing as a preteen girl, and asked for "nudes."

"This guy messaged us first in April, and all the messages he was pretty sexual, asking us for nudes thinking we were a 12-year-old girl," (((Rosen))) said.

The predator hunter said he had Letcher graphically describe the videos to ensure the creep admitted to the crimes for video evidence.

"When they describe basically everything they see, it leaves no doubt they're guilty of watching and possessing that stuff," he added.

Alex (((Rosen))) (center) founded Predator Poachers in 2019 to conduct intervention-style sting operations to catch child predators.

Letcher reportedly molested a 9-year-old girl in 1996, a fact unknown to (((Rosen))) at the time of his conversation, but the case was overturned by the South Dakota Supreme Court.

"The justice system never held him accountable," (((Rosen))) said.

Letcher was also hit with DUI and hit-and-run charges after he ran over a 6-year-old girl in a "non-pedophile" incident in 2022.
