

Olympic Camera Operators Told to Not Take Ass Pics of Dirty Sluts

Andrew Anglin July 31, 2024

Imagine having the nerve to wear this and then telling men “stop objectifying me.” Women are unbelievable.

All women sports players, like all women in general, are sluts.

They’re going around half naked and then saying “stop taking photos of my ass, you creepy perv.”

France 24:

The official Olympics broadcaster has urged camera operators to film men and women athletes in the same way to avoid “stereotypes and sexism” creeping into the coverage, its CEO said Sunday.

The Paris Olympics are the first in the 128-year history of the modern Games to reach gender parity among athletes, with women’s sport also given more prime-time broadcast spots to help raise its profile.

With the Games now into full swing, the head of Olympic Broadcasting Services (OBS) said his organisation had updated its guidelines for camera operators, most of whom are men.

OBS is responsible for the TV coverage of the Olympics, with its images shared with rights holders around the world.

“Unfortunately, in some events they (women) are still being filmed in a way that you can identify that stereotypes and sexism remains, even from the way in which some camera operators are framing differently men and women athletes,” chief executive Yiannis Exarchos told reporters in Paris.

Yiannis Exarchos: He looks to me like the type of guy who caught a peek at a few asses in his time.

“Women athletes are not there because they are more attractive or sexy or whatever. They are there because they are elite athletes.”

He said the problem was mainly down to “unconscious bias”, with camera operators and TV editors tending to show more close-up shots of women than men.

Who the hell knows why they’re there, but the reason people are watching them is because they want to look at their asses.

That has been the sale the whole time. The men who film these women are always zooming in on their asses. They are doing it on purpose, they are doing it because they know that’s what everyone watching it wants to see.

Women are not good at sports. Maybe they are good at ice-skating or gymnastics or some other stuff that no one really cares about; I don’t know because I don’t care. Regardless, most women’s sports are about perving on women’s asses.
