

February 22: Bad Fat Person Book Release Party

Join local author Ali Owens for the release of her book, **Bad Fat Person: A Reflection of Plus-Size Bodies in a Cookie Cutter Culture**.

Ali will read from her book, followed by a book signing.

Equal parts memoir and self-help, *Bad Fat Person: A Reflection on Plus-Size Bodies in a Cookie Cutter Culture* explores our society's toxic attitude toward weight and beauty and asks the imperative question: what if we could love ourselves right now, just as we are? Offering a fresh perspective and practical applications, this book is a must-read for anyone who's ever allowed their struggle with body image to limit their life!
