Hello

Meet Rebekah Barry

Hello, I'm Rebekah. I'm an undergraduate student at Colorado State University (CSU) located in Fort Collins, CO. I'm working towards a major in Journalism & Media Communications with a minor in Spanish.

My inspiration for studying the field of journalism is to share people's stories with the world. I feel each person has a unique story to tell, and I thrive to tell every story that I can. Some of my works are featured on my website.

I'm excited to see what journey of life I will have as I finish college.

I currently work as a Staff Reporter for the Rocky Mountain Collegian via Colorado State University. Some of the articles I've written for them are on my [website](#).

When I'm not working on schoolwork or articles for the Collegian, I enjoy dancing, singing, going on walks, bike rides, hikes, snowboarding, and hanging out with friends and family.

My hometown is Denver, CO. I grew up with my parents, my younger sister, and my current dog, Rascal. We recently welcomed a puppy named Lily into our home as of December 2023.
