Our Work

We are committed to working toward a future where no person faces a financial barrier to the care they need. Abortion is healthcare and nothing should stand between you and your health decisions.

The Cobalt Abortion Fund seeks to be a welcoming and safe resource and we are committed to using correct names and pronouns for you. We do not discriminate funding based on anyone's age, religion, marital status, physical ability, gender expression or identity, sexual orientation, race, or ethnicity.

Learn

Cobalt can make getting your abortion more accessible. We cover or help you cover your procedure with funding support as well as logistical support such as travel, food and lodging.
