About

Rebekah is currently an undergraduate at Colorado State University (CSU) working towards a major in Journalism & Media Communications. She is currently a Staff Reporter for the Rocky Mountain Collegian. Outside of educational work, she has volunteered at Metro Caring food bank, church, and has been in clubs - including being president of Skateboard Club in high school. She is a Seal of Biliteracy recipient in Spanish (High School diploma) from Denver Public Schools.

She hopes to be able to continue to tell peoples' stories through her work, and inform the world through the values of trust, honesty, and integrity.
