Organizing Intern

Cobalt Advocates · Internship

Sep 2023 - Dec 2024 · 1 yr 4 mos

Denver, Colorado, United States · Hybrid

- Distributed emergency contraceptives, condoms, dental dams, and information on the Cobalt Abortion Fund. By tabling at various community events, concerts, and local colleges, I provided the Fort Collins community resources for bodily autonomy and safe sex practices.

- Co-hosted the Cobalt Intersectional Activism Book Club, focusing on intersectional feminism and abolition. With guest authors like Prisca Dorcas Mojica Rodriguez and Andrea Ritchie, I facilitated topics ranging from the dangers of white feminism and neo-colonialism to the different ways activism can take shape.

- Hosted voter education events with panelists from the Coloradans for Protecting Reproductive Rights campaign, the Freedom to Marry Colorado campaign, and the No on 80 campaign in collaboration with community partners to register people to vote and educate voters on 2024 Colorado ballot measures.

- Canvassed in the Denver area using miniVAN, contacting voters about Amendment 79, and leaving them with campaign literature.
