## About Bohemian Nights

Like most organizations during the pandemic, we have reflected on our work and have decided now is the time to reevaluate how to best serve the community through live music. We have decided to discontinue Bohemian Nights at NewWestFest. The festival holds a special place in our hearts, and we're grateful for 15 years of building community at the festival through live music.

Fort Collins is a vibrant music city. We're excited for Thursday Night Live in 2022 and look forward to finding new ways to build community through live music. Check back here for updates in 2022.
